RELIGION: Students attend Mass once a week on an assigned class day. The students also attend Masses on a monthly basis as a student-body. Classes are assigned to prepare the Liturgy and to lead the student-body in prayer. Throughout the week, students participate in daily prayer, special Para-Liturgical services and daily Religion classes. An active social justice program is in practice.

ACADEMIC PROGRAM: St. Martin's provides a 21st Century academic program in all subject areas. Spanish is offered as well for students in Grades K- 8. Traditionally, our children score above average on standardized testing. We have a state-of-the art technology program. Computers are located in the classrooms and in the computer lab adjacent to the Library. Classes in technology are held for all grade levels and integrated as well as throughout the curriculum.

EXTRA CURRICULAR ACTIVITIES: Various after school activities are available to the students: Our students participate in Scouting, CYO basketball, and city league sports. Some of our students also take Golf lessons. There are fees for some of these activities. Band classes are available for students in grades 4 – 8. In addition, boys and girls in grades 4 – 8 may be altar servers. Students may also participate in the Student Council in grades 1 – 8 and the Safety Patrol program in the middle school. Middle school students may also participate in the drama club and/or they may be part of the yearbook committee.

HOURS OF SCHOOL: The school day begins at 7:55 a.m. and ends at 2:45 p.m. A yearly calendar will be sent home during the summer (July or August) and a monthly calendar update will be sent home at the end of every month throughout the school year. St. Martin's School follows Montgomery County Public Schools for all weather cancellations and late openings. In the event that Montgomery County Public Schools are already closed for a special event and there is a weather-related emergency, there will be a message on the radio/TV from the Archdiocese of Washington regarding the status of the Catholic Schools in Montgomery County.

BEFORE SCHOOL: Parents provide supervision for the children from 7:30 a.m. to 7:55 a.m. Children may NOT be dropped off before 7:30 a.m. and only if a parent is present after 7:30 a.m. There is no charge for this service; however; this program relies solely on the generosity of our parent volunteers. We encourage as many parents as possible to participate in this endeavor.

AFTER SCHOOL: St. Martin's After-Care program is licensed by the State of Maryland and our staff is fully certified. The hours are 2:45 p.m. to 6:00 p.m. The cost for the 2010-2011 is: Full time per week cost is \$65.00 per child. The "drop-in fee" (up to 2 days per week) is \$6.00 per hour or any part of an hour per child.
