Welcome to Saint Martin of Tours Catholic School After Care!

Welcome to After Care at St. Martin of Tours Catholic School. We are licensed for this program by the State of Maryland and our staff is fully certified. This program is **only** for the students of St. Martin of Tours Catholic School. They may attend on a full time or drop in basis, based on available space, behavior and prompt payments.

Open from 2:40 p.m. until 6:00 p.m. each school day, the After Care Program provides professional care, supervision, recreation and enrichment activities. It serves working families who desire both parochial school education and supplementary day care in a Catholic environment for children enrolled at St. Martin of Tours Catholic School in grades Pre-Kindergarten through Eighth.

This professionally operated program allows children to experience a rich diversity of growth activities planned to complement the philosophy and value systems of the Catholic school and family. Arts and craft projects, science experiments, games, recreation, and snack time are planned. There is also time set aside for homework completion

Within a large family environment, the program strives to provide individual attention, security, consistency and fair treatment for children of working parents.

The After Care Program is staffed by experienced directors, and a number of devoted and committed teachers and aides. These people, employed on a full-time or part-time basis, work together to help each child grow in maturity and self-respect, as well as to maintain an atmosphere where there is respect and understanding for others.

Fees are the sole support of the St. Martin of Tours Catholic School After Care Program. It is not subsidized by the school or the parish, so prompt and current payment is essential in order to maintain the program and to pay our staff.

ABSENCE

The After Care director must be notified if a full-time child is absent. **In the event of an absence, payment is still expected for full time children.** Consideration will be given for a prolonged illness. If the absence is due to vacation, full payment is still expected.

DAILY RELEASE

Daily release occurs in the cafeteria. Children will be released only to a parent or guardian, or to an individual who has been authorized by the parents or guardians. All individuals picking up children for the first time will be required to show identification. Only individuals listed on the emergency card will be authorized to pick up a child. For the safety of your child, there will be **no exceptions** to this rule.

IMPORTANT PARENTAL RESPONSIBILITIES

Emergencies/Safety

With the children's safety and well-being in mind, we must have on file an **emergency card with updated phone numbers, completed by the parent or guardian,** and then adhere to the instructions given.

One of the most important regulations concerns the child's leaving the premises of the Extension Program.

- Parents or guardians should not take children from the school yard or other areas without notifying the After Care Program staff and signing out each child.
- After Care Program personnel will not permit children to leave in taxis or ubers, or to walk home.
- Parents or guardians should not send persons whose names are not on the Emergency card to ask for the release of children. For the child's safety, the release will not be granted.
- Parents or guardians may wish to telephone asking that their child be directed to go to various places after school. As there is always a possibility that a person other than a parent or guardian might telephone, such requests will not be granted.
- With the same potential problem in mind, Program staff will not accept a telephoned request to call a cab for a child.

ILLNESS

If a child becomes ill, the parent will be called. Emergency cards will be used for telephone information. The school must be promptly notified of any changes in address or telephone numbers (home or work).

A sick child **must be picked up promptly.** If a child sustains an injury during After Care and the parents cannot be reached, an explanation and an injury form will be sent home with the child. In the event of an emergency, the child will be transported by ambulance to the nearest hospital, and parents will be contacted to meet their child there.

STUDENT BEHAVIOR

The After Care program follows the same behavior code of the school and the Archdiocese of Washington. Any student who is consistently disruptive, harms another student, or does not obey the teachers or aides, will be immediately dismissed from the program. Behavior form must be signed by parent and student, acknowledging and acceptance of rules of Aftercare.

The After Care Rules are as follows:

1. Be kind, polite, and courteous of others
2. Keep your hands and feet to yourself
3. Be respectful of Aftercare Staff, classmates and property
4. Listen to the Aftercare staff, and follow directions
5. Work hard and always do your best
6. Be safe
7. Raise your hand when you would like to speak, or if you need to leave the cafeteria, gym, playground, for any reason (e.g., going to the bathroom, need to speak with a teacher)
8. No loafing or playing in the bathrooms
9. Stay in the right place at the right time. No wandering
10. Obey all Aftercare rules
11. Have fun
