

Dear Parents,

In the event we have an emergency and need to lockdown the school for a period of time, we need each student to have an emergency bag. Please see the list below for required and suggested items. The emergency supply items for each student should be placed in a one-gallon zippered bag labeled with the student's name. Please send in the emergency bag **on the first day of your child's in-person learning.**

Required items:

- 2 Extra face mask
- Small flashlight with fresh batteries
- Napkins and some wet-wipes
- Small zippered bag for trash
- 2-3 food items from the suggestions below

Suggested for food items:

- Fruit bars or fruit snack
- Ready to eat dry cereal
- Sealed bag of Pretzels
- Sealed bag of Crackers
- Sealed bag of Goldfish
- Sealed plastic cup of fruit and plastic spoon

The school will supply bottled water for the students so there is no need to send in a drink. Please do not send in candy, sweets, gum, or any food containing any type of nuts. This includes any peanut butter snacks.

If your child takes medication on a regular basis, please make sure that Nurse Amy has an adequate supply along with the signed Medication Form.

Thank you,

Stephen C. Lamont
Principal
